RATIONALE

The purpose of this policy is to describe the parameters, based on sound principles within the spirit of the HEROES Act of 2003, for the accommodation of military service members and their spouses when military services prevents courseroom access.

DEFINITIONS

Military Leave

A military leave is a period of time during which a military learner is excused from their academic program due to active military service or national emergency. Learners receiving a military leave are granted a leave for an indefinite amount of time, as supported by the documentation on file.

Military Spouse Leave (MSL)

A military spouse leave is a period of time during which the spouse of an active duty service member who is deployed due to active military service or national emergency is excused from their program. Based on Department of Education guidelines, learners can be approved for an MSL for up to two terms in a 12 month period.

I. Military Leave

This policy follows the guidelines established in the HEROES Act of 2003 in determining appropriate accommodations for military service members who are responding to a war, national emergency, or natural disaster.
- B. In order to qualify for a military leave, the learner's service obligations must prevent courseroom access. Capella University reserves the right to require documentation establishing the impact of the learner's service on courseroom access. Qualifying service

may include but is not limited to deployment, assignment to a sequestered training environment, and the prohibition of voluntary education by the learner's command.

C. In accordance with the HEROES Act, Capella University provides the following accommodations to learners who experience a disruption in their program due to active military service:

1. Learners who are granted a military leave will be given the option of withdrawing from all their courses, resulting in a grade of Military Withdrawal ("MW") for each course, or requesting an Incomplete ("I") grade for any courses in which they were registered when granted the leave. Learners who withdraw from their courses as a result of an approved leave will be given the option of a tuition credit or appropriate refund for the courses they were unable to complete. Learners who request an "I" grade are not issued a tuition credit.
 - a. Learners who are granted a military leave are not required to meet financial obligations to Capella while on leave.
 - b. Time spent on a military leave does not count toward the learner's maximum time to degree completion.
