

The Capella Coursework Alignment is a resource to assist in understanding a states educational requirements for licensure, certification, or endorsement. The alignment will provide an individual states unique coursework requirements in comparison to Capella's program.

**Where to Start:** We recommend that you begin by locating a copy of your states application and/or coursework sheet from your state board's website and then use this document to assist you in matching Capella's coursework with your states educational requirements.

**How to Read the Alignment:** The Alignment is broken into 7 different columns:

**State required content areas:** Outlines the state board's required content areas that need to be met for licensure

**State definition of content area:** The explanation of the required state content area to be met for licensure

**State coursework requirement:** The number of courses or credits required to meet the state content area

**Capella course number:** The course number of the Capella course that we feel meets the state content definition and content area

**Capella course title:** The course name of the Capella course that we feel meets the state content definition and content area

**Capella quarter credit:** The number of credits for the Capella course that we feel meets the state content definition and content area

**Notes:** Additional information about a particular course or requirement.

**Important:** The information provided in this document is for guidance only and is not intended to be authoritative. State licensing boards determine whether coursework is sufficient to meet state specific educational requirements as part of the application process. No state board has "approved" of the coursework alignment suggested in this document as meeting any state's educational requirements. Capella University cannot guarantee licensure, certification, or endorsement.

If you need further assistance, please contact Enrollment Services if you are considering enrolling in a Capella program or Academic Advising if you are a current Capella Learner.

## Common Alignment 2.2021

Most states only allow the use of a course in one content area. However, some states do allow a course to be used in more than one content area. Please check your state's application, law, rules and Board policy.
