

Master of Social Work & Master of Social Work, Advanced Standing

Disclaimer: State licensing boards review each applicant's completed education, exam scores, supervised experience, criminal history, and application materials at the time of license application to determine eligibility. Capella University cannot guarantee licensure, it is your responsibility to ensure that you meet all of your state's requirements.

Aside from the educational component that a degree program helps you fulfill, some states have additional post-graduate and exam requirements you may have to meet. Learners interested in social work practice in a school setting are advised to contact their state board and review requirements for licensure.
