Washington	Licensed Behavior Analyst (LBA)  OR  Licensed Assistant Behavior Analyst (LABA)	<p><u>Licensed Behavior Analyst (LBA)</u> Washington requires an applicant to be certified by the Behavior Analyst Certification Board (BACB) as a Board Certified Behavior Analyst (BCBA).</p> <p><u>Licensed Assistant Behavior Analyst (LABA)</u> Washington requires an applicant to be certified by the BACB as a Board Certified Assistant Behavior Analyst (BCaBA).</p> <p>Effective July 15, 2020 applicants are no longer required to complete 4 hours of AIDS education.</p>
West Virginia	N/A	<p>West Virginia does not currently offer a Behavior Analyst license. Capella's program meets the Behavior Analyst Certification Board's (BACB) educational requirements for certification. However, the national credential alone may, or may not enable you to practice in the state. Licensure rules and regulations often change. You will want to monitor these changes, paying particular attention to any creation of a license, scope of practice, and educational requirements.</p>
Wisconsin	Licensed Behavior Analyst (LBA)	Wisconsin requires an applicant to be certified by the Behavior Analyst Certification Board (BACB) as a Board Certified Behavior Analyst (BCBA).
Wyoming	N/A	<p>Wyoming does not currently offer a Behavior Analyst license. Capella's program meets the Behavior Analyst Certification Board's (BACB) educational requirements for certification. However, the national credential alone may, or may not enable you to practice in the state. Licensure rules and regulations often change. You will want to monitor these changes, paying particular attention to any creation of a license, scope of practice, and educational requirements.</p>
