

Roadmap to licensure

Counselor/therapist

This is general information to help guide you. The order of events and state requirements may differ for each applicant.

Licensure could be called something else in your state such as a certification, endorsement, or registration. State licensing boards review each applicant's completed education, exam scores, supervised experience, criminal history, and application materials at the time of license application to determine eligibility. Capella University cannot guarantee licensure, it is your responsibility to ensure that you meet all of your state's requirements.
